COLOROBBIA

COLLECTIO

18 | 19 | 20 July 2024 | Bali, Indonesia

About collectio

A CUTTING-EDGE, *FORWARD-LOOKING* EVENT THAT BOASTS AN AUTHENTIC ITALIAN NETWORK OF *EXCELLENCE.*

01

18 | 19 | 20 July 2024

About collectio

Collectio is the first event in the world dedicated to the promotion of Made in Italy in the ceramic sector, organized in a professional and specialized setting, with the presence of expert speakers from Italian leading companies in the sector.

Colorobbia and its sister company **Colorobbia Indonesia** present a conference characterized by an exclusive format, specifically created to support and enhance **Italian excellence** in the ceramic sector, such as the manufacturing, design, tradition and scientific and **technological innovation** that distinguish this industrial field.

18 | 19 | 20 July 2024

COLLECTIO

18 | 19 | 20 July 2024

About collectio

COLLECTIO also wishes to represent a moment of reflection on current issues such as the **sustainability of products and production processes**, proposing itself as a model of innovation compatible with **respect for the environment and people's health.**

This is an important opportunity to anticipate the innovations that **Colorobbia and other Italian partners** will present at international trade fairs in September 2024.

18 | 19 | 20 July 2024

Schedule of collectio

THREE DAYS OF *INNOVATION, INSPIRATION AND NETWORKING* IN AN EXCLUSIVE PROGRAM PACKED WITH PROFESSIONAL *OPPORTUNITIES.*

02

18 | 19 | 20 July 2024

Schedule of collectio

COLLECTIO will take place on July 18th, 19th and 20th 2024 at **Hotel Mulia Resort Bali, Indonesia.**

The organization of this **marathon of ideas** is oriented to **Asian leading companies** in the ceramic industry that are innovative and attentive to new trends, as well as experts and creatives, with the goal of engaging the ceramic community in the field of **Made in Italy technological innovation.**

The format includes two days of plenary session **conferences and one day dedicated to personalized and private “one to one” meetings** with speakers and stakeholders of interest, during which each participant can have **specific meetings with Italian partners on customized topics.**

18 | 19 | 20 July 2024

Schedule of collectio

In addition, three **working lunches and a convivial gala** evening with all managers and industry experts are planned.

Through COLLECTIO’s rich program, Colorobbia offers participants the **opportunity for education** in a rapidly evolving industry, a key element in remaining **globally competitive.**

17:30 | 18:00	Colorobbia
18:00	End Session

Avant-garde | Expertise | know-how

20TH JULY 2024 | DAY THREE | SCHEDULE

The third day of the conference is dedicated to customized, private “one-on-one” meetings, providing a valuable opportunity to deepen relationships, exchange ideas, and address specific issues in detail. This mode allows participants to focus on topics of interest to them and meet with key stakeholders to discuss issues relevant to their goals.

These customized appointments allow participants to explore opportunities for collaboration in more detail than the broader, more generic presentation formats. Each participant has the opportunity to make meaningful connections with Italian partners who can offer specific insights or resources relevant to their industry or project.

Overview of collectio

AN *EXCLUSIVE EVENT* DEDICATED TO THE PROMOTION AND DEVELOPMENT OF *MADE IN ITALY IN THE CERAMIC INDUSTRY.*

03

18 | 19 | 20 July 2024

In an ever-changing era, in which every industrial sector is moving towards productivity criteria based on resource optimization and environmental friendliness, and in which digitization is progressively connecting markets and making the solutions presented increasingly customizable, **Colorobbia becomes a catalyst for change through an event focused on three main trends:**

Sustainability

Customization

Digital Solutions

With **COLLECTIO** emerges the Italian spirit, know-how and cutting-edge technology that drives Colorobbia and places it as a **leader in the ceramic sector.**

Attendees

The significant participation of companies from more than 10 different countries in the second edition of COLLECTIO confirms the interest and great attractiveness that the event holds internationally.
